□ Fund raising

◆ We have crossed the Rs. 95 Cr. milestone for donations, as on 1st May '24.

◆ We're still only half-way to the finish-line, and are depending on the support of several other batches to achieve it. Let's keep the trajectory of monthly donations in an ascending direction.

❑ Fund raising: To build a Home away from Home

❖ The purpose :

- Build a world-class Hostel
- Not just a pit-stop where students' bathe and sleep, but a living experience that they cherish forever.
- Create a healthy and thriving social network through multiple types of activity spaces – e.g. study room, tech room, lounge, mini-gym etc.

- Three Cheers to the generous **Class of '91** for supporting the    **Music, Activity and Dance Rooms** with a generous sponsorship of Rs. 5 cr.
- The batch is sponsoring both the Music, Activity and Dance rooms – one common to H7 and H8, and another in H21. 
- Access to such spaces will give students a chance to follow their hobbies, give them a much-needed break from thinking about grades, lab journals and resume-building, and dissipate the peer pressure they experience.
